

GO GREEN FOR CP!

Join Cerebral Palsy Cymru in showing your support for Cerebral Palsy Awareness Month.

Get your workplace, school or community group involved this March by organising a 'Go Green for CP' dress-down day!

Cerebral Palsy Awareness Month is a global awareness campaign that pushes for a positive change in education, the healthcare system and the job market to give opportunities to those living with cerebral palsy.

Cerebral palsy is the most common physical disability in children worldwide. It is estimated that every 5 days here in Wales, a baby will be born who will have the condition.

You can help support the vital work we do at Cerebral Palsy Cymru and help us raise awareness of cerebral palsy throughout March by 'Going Green for CP!'

Pick a day in March to 'Go Green' and ask everyone involved to wear an item of green clothing and donate £1 to Cerebral Palsy Cymru. We have bilingual CP fact sheets that we can share with you, and we also have our green Cerebral Palsy Cymru technical t-shirts available to purchase via our website.

Alternatively, why not pick a day in March to wear green and make a small donation to Cerebral Palsy Cymru to help support our vital work?

To find out more, please email fundraising@cerebralpalsycymru.org or call us on 02920 522600.
